# Things To

10-30-1970

There are so many things to remember about my marriage & my children, "most happy things" because what bad times (such a few) we have had. Mostly I remember the good and happy.

First "my marriage". I was so young when I married, I feel that I failed in so many ways to show my love and appreciation to Richard "my husband. He was always so loving and thoughtful. I would have to write a book to tell each kind and thoughtful deed he performed for me over the years. I'll just say that because he was, and is so wonderful, I hope and pray through my love for him I will be able to repay in part for the happiness and contentment he has brought into my life.

My first son was born 1-24-37. Oh! what an occasion. I felt that I was the luckiest woman in the world. Richard Batman Hanell was the most beautiful baby in the world. How

ever, he fell ill and for several weeks we fought tooth & nail to save his life. With God's help we did. So many happy memories, his first day in school, graduation from high school, then why he started college. I guess the most pain we suffered was when he quit college in the second year and enlisted in the Navy. Naturally we had planned his life differently (our greatest mistake). We got over that and it has made us very proud of him. Thirteen years in the Navy, his marriage to a sweet and wonderful girl, "Gloria". A beautiful and precious little daughter Susie, "to us". Richard, or (R.B.) has brought us much happiness.

The birth of my second son "Joe" 1-20-39, another miracle. He started out so healthy and beautiful. In his 10<sup>th</sup> month (he was already walking) he pushed a tricycle off the porch, fell and ruptured himself. Until he was two years old we had to be very careful with him. He was just naturally a very loving and affectionate child.

# Things To Remember

and we naturally grew very close to him. When he was six years old he had hepatitis. When he graduated from high school he came down with T.B., I spent one year in a T.B. sanitarium & had lung surgery removing part of one lung. With all the strikes against him he has given us much joy and happiness. He also married a sweet and wonderful girl. Carolyn has always been like a daughter to me. She & Joe have always lived close by & let us share our three beautiful granddaughters, Tammi, Janis, & Karen. They have brought so much joy into our lives.

The birth of my third son, Michael. 7-24-47. Eight years and 6 months after Joe. He was our wonder child. He came after Dr's had said they couldn't be any more. We almost lost him at first also, but God spared him to bring even more happiness & fulfillment into our marriage. Through out his life at home he filled our lives with so much happiness I can't begin to put it all down in this space. He is now in the Marines married and we are looking forward to a wonderful relationship with his wife Francis, & more future grandchildren.
